## About MarinHacks

---

MarinHacks is Marin Catholic's first student-led hackathon. Organized by Marin Catholic's Computer Science Club, MarinHacks strives to foster an environment of creativity and exploration. Here, middle and high school students are given the tools and the time to create something they can be truly proud of. No coding experience is required, and beginners are welcome.

## Why Sponsor

---

- Reach 200+ motivated middle and high school students in Marin County.
- Introduce your brand, product, or track challenge to the next generation of builders.
- Align your company with early STEM education and student-led community initiatives.

## Where the Money Goes

---

MarinHacks is a student-run event sponsored through Hack Club Bank, a 501(c)(3) nonprofit. Sponsorship funds go directly toward prizes for winning teams, free meals for all participants, and the materials needed to run the day.

## Sponsorship Tiers

| SILVER                                                                                                                                                                           | GOLD                                                                                                                                                                                                           | PLATINUM                                                                                                                                                                                                                                                                       |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| \$500                                                                                                                                                                            | \$750                                                                                                                                                                                                          | \$1,000                                                                                                                                                                                                                                                                        |

*\*similar, higher-level items replace previous ones*

**Custom packages available.** If none of these tiers fit your goals, reach out to [marinhacksofficial@gmail.com](mailto:marinhacksofficial@gmail.com) and we'll build a package around what works for your team. Whether it's software credits, swag, mentorship, or prize items, we will gladly accept the equivalent in products and services, no matter the offer.

## Next Steps

If MarinHacks interests you, please respond to this email and let us know which tier appeals to you or what an equivalent package would look like. We're happy to jump on a short call to answer questions, share more about the event, or walk through how your sponsorship will be advertised during the hackathon.

**Thank you for considering MarinHacks 2026.**
